Meet the Staff

ORELIA J CLAY | President/Manager

P.I.E. Credit Union employee since July 2017
I have 32 years of credit union experience. I started at P.I.E. in 2017 as the Assistant Manager. I have worked in every area of credit unions in some aspect over the years. I love helping members and couldn't imagine life without the credit union being part of it. President/Manager was never in my plans, but when the opportunity arose, I decided that I had learned so much over the years and wanted the opportunity to really make a difference in the lives of our members and to grow the credit union for the future.

SARA CANTU | Assistant Manager

P.I.E. Credit Union employee since July 2023.
I have 15 years of credit union experience. I completed the 3 year Credit Union National Association Management Program in July 2020. I started at P.I.E. in July 2023 as the Assistant Manager. Before then, I worked at CTE Credit Union for 14 years. I take great pride in my work ethic, being adaptable and maintaining a positive attitude.

SANDY URBAN | Member Services Representative

P.I.E. Credit Union Employee since May 1991
I worked for WPI starting September 22, 1980 in the Purchasing Department before transferring to P.I.E. Credit Union in 1991. I love working for the credit union and working with our members. It has been an interesting journey through the years – new technologies and services along with our mainstays of loans, saving and checking accounts, etc. If you are unfamiliar with the credit union or new to WPI, we hope you will stop by and check us out – we will be happy to tell you all about our services.

➤ **Treat your card like cash. Always store your card in a safe place.**

➤ **Keep your PIN to yourself.**

No company or individual needs to know your PIN (Personal Identification Number) Memorize your PIN, and never write it on your card or store it with your card. If you perform transactions over the telephone using your Debit Card, never disclose your PIN. Never let someone enter your PIN for you.

➤ **When using an outdoor ATM such as in a parking lot, leave the area at once if anyone or anything appears to be suspicious.**

- ✓ Always be aware and observe your surroundings.
- ✓ Only use well-lit ATMs.
- ✓ Minimize time spent at the ATM.
- ✓ Block the view of others at an ATM.
- ✓ Look for fraudulent devices attached to an ATM.

➤ **Shop carefully online. Make certain your Internet shopping sites are secure.**

- ✓ Protect your card's magnetic strip.
- ✓ Report a lost or stolen card at once.
- ✓ Review your account statements regularly for unauthorized transactions.
- ✓ Do not disclose information about your card over the telephone.

➤ **Never respond to an unsolicited request.**

The Internet is a common channel for fraud perpetration. Never provide your debit card number PIN or any other non-public information to anyone in response to an unsolicited e-mail, pop-up message or phone request.
